Anna Bladh Redzic specialises in intellectual property law, protection of trade secrets and dispute resolution. Anna has extensive experience from commercial litigations concerning e.g. patents, copyright and trademarks. She also works with commercial agreements and gives advice on a regular basis on intellectual property law. She works with clients from various industries, such as IT, engineering and Life Science. Anna is also retained as mediator in commercial disputes.

Before joining Sandart & Partners, Anna was an Associate Judge at the Svea Court of Appeal in Stockholm (now the Patent and Market Court of Appeal), and was specialized in intellectual property law. She has adjudicated many patent, trademark and copyright cases apart from general commercial disputes. She also has previous experience with business and financial law. Anna holds an LL M from both Lund University and Columbia School of law in New York.
