Peter Sande specialises in intellectual property law and dispute resolution. Peter has vast experience from litigations concerning e.g. patents, copyright, trademarks and license agreements. He frequently participates in large-scale pan-European litigations. Peter advises research intense companies in regulatory and strategic matters and assists several clients in the entertainment industry. The Stockholm University and others often engage Peter as a speaker. Chambers, Legal 500 and other international guidebooks repeatedly rank Peter as a leading lawyer.

Peter Sande is an exceptional advocate, master negotiator and brings great cross-functional skills to the table.

WTR 2022

The firm dominates in complex patent litigation, especially in the pharmaceutical industry where Peter Sande and Dag Sandart bring their A-game time and time again. "Peter's expertise is highly renowned", enthuses one source. "He is extremely thorough in each case, and just a pleasure to work with, and even against."

IAM Patent 1000 2022

'Peter Sande is a very skilled IP lawyer. One of the best in the market.'

Legal 500 2022 - Dispute resolution

Peter Sande enjoys unanimous acclaim for his patent infringement practice, with one client stating: "He is the best person to use for patent litigation." He represents multinational blue-chip companies, often from the pharmaceutical sector.

Chambers Europe 2022

Peter Sande is applauded for his market-leading intellectual property practice. "Sande is truly excellent," states one client, adding: "I would put him in the league of the best external counsels I have worked with." Primarily acting on patent infringement cases, his varied client list includes pharmaceutical, technology and automotive companies.

Chambers Europe 2020

"Peter Sande is reputed for his advice on IP litigation. He frequently handles mandates concerning patents, copyrights and trade marks on both a domestic and pan-European level. His clients work in industries such as entertainment and healthcare. Peter Sande is highly appreciated by market commentators, who describe him as a "likeable person, an extremely good lawyer and a very skilled patent litigator. "He offers particular expertise in IP disputes in the life science sector."

Chambers Europe 2017
